Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notions" free any more than a merchant can give his customer free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

A TWO DAYS SALE

On next Friday and Saturday, the 8th and 9th inst., we will sell

Fremont Park.

Everybody is talking of the Fremont Park and the grand performance you can see there. This favorite amusement resort is becoming more popular every day, and for the past two weeks has entertained larger crowds than any other established place of amusement in the state. The audience last night complimented for the grand performance which they had witnessed. Go tonight and see for yourself. This is P. O. S. of A. night.

DIED THIS MORNING.

After an illness of Diphtheria Little Alma Mae Passes Away.

The sympathy of many friends goes out to Mr. and Mrs. John D. Muse at the death of their little daughter, Alma, which occurred about 6 o'clock this morning at their home on West Second street.

The little one has been ill two weeks with diphtheria, and it was thought as she was getting along so nicely the past week that she would recover from the dread disease. But last evening she became much worse and death ended her sufferings at the hour above named.

Little Alma was about six years of age and her bright, happy disposition endeared her to all.

The remains will be interred tomorrow afternoon at 4 o'clock in the Mayville Cemetery, services being conducted at the grave by the Rev. J. S. Sims of the M. E. Church, South.

Electric Park.

A large and well-pleased audience was out again last night. The Howards made good hits in their comedy sketch. Wild and Adams are very clever. Mr. Wild has a phenomenal voice. Little Mabel and Rastus are very clever in their comic specialty. Rastus will surely make a comedian. Look out for the big attractions next week; something new. Go out tonight and see a real show.

MORE SOLDIERS.

Seven Recruits, Together With Two Officers, Left Yesterday.

The two officers that have been here for several days assisting Adjutant Carroll Power in securing recruits for the volunteer army at Chickamauga left yesterday afternoon.

They took with them seven more recruits from this section, one of whom was from this city—John Cook of West Second street, two from Cabin creek and the others from the county.

With those that have already gone, the seven yesterday makes 37 in all from this section secured by Adjutant Power.

RETURNED HOME.

Mr. Charles D. Suiter Rejected at Lexington on Account of His Eyes.

Mr. Charles D. Suiter, one of the young men from this city who enlisted under Lieutenant Horace J. Cochran and who has been at Lexington ever since awaiting the final examination, returned home last night.

He says the reason he was rejected was on account of a defect in his eye. He is loud in his praise of the treatment accorded the Mayville boys, and reported all in the best of health.

Mr. William Clooney, who also left with Lieutenant Cochran, was rejected. He is now at work in Fayette county with a threshing machine.

LET'S ALL GO!

Visit Our Soldier Boys at Lexington Sunday and Help Opera-House.

Sunday, July 10th, an excursion to Lexington to see the soldier boys in camp, will be run from Mayville over the L. and N.

Should there be over 300 tickets sold at this point for the excursion, 40 per cent of the receipts will be given to the building fund of the Opera-house.

Now that Mayville and Mason county have quite a number of the boys in camp, a large crowd should be ready to go.

BAD ACCIDENT.

A Tramp gets a Compound Fracture of the Right Leg on the C. and O.

A man, giving his name as Robert Johnson and his home at Richmond, Va., is an inmate of the City Almshouse, being yesterday the victim of an unfortunate accident.

He was making his way on an East-bound C. and O. freight train, which was slowing up at the Depot here to take water at the tank, when a sudden jolt caused by the application of the brakes, ran the bumpers of the cars on which he was seated against the next one, and he sustained a compound fracture of the right leg.

In the absence of the Road Physician, Dr. C. C. Owens, Dr. Reed was summoned, who gave necessary medical attention.

The fracture is quite a bad one, and being broken both above and below the knee, it is probable the leg will have to be amputated.

THE MAYSVILLE MAN.

Neat Compliment to Mr. G. B. Wall in His Promotion on the C. and O.

The Lexington Leader, in speaking of the change of position of Mr. Garrett B. Wall, formerly of this city, says:

"G. B. Wall, for the past three years the efficient Chief Clerk to General Manager George W. Stevens of the Chesapeake and Ohio Railway, with offices at Richmond, Va., has been appointed to the office of Real Estate Agent of the Company. The duties of this office were formerly discharged by the Chief Engineer, but lately it has been made a separate department of the system. Mr. Wall went to Richmond from Ashland three years ago, where he was Chief Clerk to the Superintendent of the Chesapeake and Ohio at that point. He is an accomplished railroad man, as well as an affable gentleman, and his promotion will be looked upon with pleasure by numerous friends both in Virginia and Kentucky. Mr. Stevens' official order appointing Mr. Wall says: 'Officers and agents should give the lands and houses belonging to the Company located in their vicinity personal attention, advising the Real Estate Agent when tenants vacate the property, obtaining new tenants as quickly as possible, and report when houses belonging to the Company are out of repair. Agents should make these reports through the Superintendent of the office. Officers and agents should exercise their best efforts to make the Company's property produce the greatest revenue possible.'"

The examination of Captain George A. Corum's company of volunteers, made up of recruits from Mason, Greenup and Bracken counties, has been completed and the boys were mustered in at Camp Corbin, Lexington, Wednesday afternoon.

Out of the total of 116, 107 of the men were accepted.

The Lexington Argonaut, in its notes of the Mayville boys, says:

"Mr. C. D. Russell of Mayville, a member of Captain Corum's Company, was rejected by the surgeons because he was considerably over the stipulated weight. Mr. Russell was determined to serve Samuel, your uncle, however, so he sent a \$4.50 telegram to the Department at Washington last night which resulted in an answer to the mustering officer telling him to muster Russell. He was the happiest man in camp when he heard the news. Mr. Russell is the son of M. C. Russell, the leading wholesale grocery merchant of Mayville, and is a royal good fellow."

Friday's Cash Sale

CHILDREN'S HOSIERY.

Dozens of odd lots and odd sizes have accumulated during the season and must be cleared out at once. Nothing but a bargain price, and that a remarkably low one, can make odd lots desirable. For full appreciation of the price cut on these goods all we ask is an examination of them, the closer and more critical the better; they'll stand the test of sharpest scrutiny. They are safe, comfortable, well-made stockings for the little feet. Plaids predominate. Red is in high favor with other colors. In soft blends that are most pleasing. Some with silk clocking, all in fast colors. Two grades, as follows:

35c. for 19c. 50c. for 35c.
